From the desk of the Cambridge Coordinator

Dear Parents, Students, and Esteemed Teachers,

It gives me immense pleasure to share a message with our school community through this newsletter. Education is not merely about acquiring knowledge or achieving excellent grades; it is about developing character, nurturing creativity, building confidence, and preparing young minds to become responsible citizens of tomorrow.

As an academic team, our commitment is to provide students with meaningful learning experiences that encourage curiosity, critical thinking, discipline, and a passion for lifelong learning. We strongly believe that every child has unique potential, and our responsibility is to identify, nurture, and guide that potential towards success.

I would like to encourage our students to remember that success is not measured only by examination results but also by perseverance, integrity, positive attitudes, and the courage to learn from challenges.
"Education is the key that unlocks potential, transforms lives, and opens doors to endless possibilities.

Teachers Day

https://www.facebook.com/reel/1528217368878017

A day dedicated to honouring the passion, commitment, and dedication of our teachers!

Our Teachers' Day celebration was filled with joy, laughter, and heartfelt appreciation for those who inspire, guide, and shape young minds every day.

Annual Trips https://www.facebook.com/reel/1528217368878017

St. Anthony's School organised exciting annual class trips, giving students a wonderful opportunity to learn, explore and enjoy beyond the classroom.

Our Primary students visited the Zoo, Joyland and Rana Resort, while the Middle Section enjoyed a fun-filled day at the Farmhouse Carnival and Winterland. The Matric and Cambridge students explored the scenic beauty of Mangla Dam and Murree.

The trips were filled with adventure, laughter and memorable moments, creating cherished experiences for our students!

Dettol Hygiene Activity

St. Anthony's School organised a Dettol Hygiene Awareness Activity to educate students about the importance of personal hygiene, cleanliness, and healthy habits. The interactive session encouraged students to adopt simple practices to stay healthy and prevent the spread of germs.

Maxwell Day

St. Anthony's School celebrated Maxwell Day with great joy and enthusiasm to mark the birthday of our respected Principal, Brother Maxwell Shanti. The day was filled with smiles, heartfelt wishes, and memorable moments as students and staff came together to celebrate this special occasion.

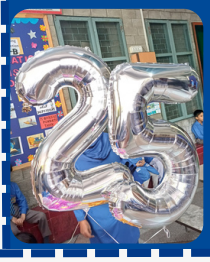
Primary Block Celebrations

St. Anthony's School proudly celebrated 25 years of its Primary Block, marking a remarkable journey of learning, growth and achievement. The occasion honoured the dedication of our teachers, the enthusiasm of our students and the continued support of our school community.

It was a memorable celebration of 25 years of nurturing young minds, building strong foundations and creating cherished memories



ALUMNI TRIBUTE – A HEARTFELT GESTURE

St. Anthony's High School, Faisal Town, proudly hosted a heartwarming tribute program organized by our brilliant Alumni from Batches 2021 to 2025 on 30th Oct, 2026.

The program was beautifully hosted by Aiza Hameed, Laiba Shams and Muhammad Fahad Asghar. They graciously invited and honoured our respected retired teachers Mrs. Dorothy Simon, Mr. Munawar Bhatti and Ms. Halen Massy along with all the teachers who taught them and are still serving the school.

It was an evening full of gratitude, cherished memories and respect, where alumni shared how their teachers shaped their journey. The event concluded with a dinner hosted by the alumni as a token of love for their mentors.

The school management sincerely appreciates this thoughtful initiative. This is what makes us a true Anthonyian Family.
