#### Activity 2. Story: A Day in the Forest

One sunny morning, a young child named Mira went for a walk in the forest near her home. The trees were tall and green, and birds were singing sweet songs. As she walked deeper into the forest, something magical happened—she heard someone whisper her name.

Mira turned around and saw a squirrel standing on a rock. “Can you help me?” the squirrel asked. “I’ve lost my way and can’t find my home.”

Surprised but curious, Mira followed the squirrel through winding paths and under hanging vines. Along the way, they met a wise old owl who gave those directions and a singing rabbit who made them laugh. Finally, they found the squirrel’s home inside a big tree with golden leaves.

Before Mira left, the squirrel gave her a special gift—a shiny green leaf that glowed when she held it. “This leaf will remind you that kindness brings magic,” said the squirrel.

Mira smiled and placed the glowing leaf in her pocket. She walked home, feeling happy and full of wonder.

## SOCIAL STUDIES

### Q1. Carefully read the passage given below and then answer the questions that follow

Pakistan is a country located in South Asia. It became an independent nation on **14th August 1947** after a long and difficult struggle. Before independence, the land that is now Pakistan was part of **British India**, where people of different religions lived together. Before independence, Muslims in British India faced unfair treatment and were not free to follow their religion and culture.

Over time, the Muslims felt that they needed a separate country where they could live according to their own religion, traditions, and culture. This dream was made possible through the efforts of a great leader, **Quaid-e-Azam Muhammad Ali Jinnah**. He led the **Pakistan Movement** and worked hard to unite the Muslims of India. He believed that Muslims should have a separate homeland where they could live with freedom, peace, and equal rights. His leadership and determination helped turn this dream into reality. Today, Pakistan is a proud and independent country. It has its own flag, constitution, national language, and government. Every year on **14th August**, we celebrate **Independence Day** to honor the sacrifices of our leaders and the people who worked hard for the creation of Pakistan

#### ● Relevant question / answer Session

---

---

---

**2. Why is it important for students to learn about the history of Pakistan and remember the efforts of our national heroes?**

---

---

---

**4: Explain the role of Quaid-e-Azam Muhammad Ali Jinnah in the Pakistan Movement. How did his leadership help in the creation of Pakistan?**

5. What important lessons did you learn from the history of Pakistan? How did the passage help you understand the problems people faced before independence and the role of leaders in making Pakistan a country?

Q2. Timeline of History of Pakistan. Complete the table by writing the correct event for each year and add a short, simple sentence to explain what happened.
