From the Principal's Desk

As we enter the summer break, I encourage all our students to make the best use of their holidays by balancing rest, recreation, and learning. Summer is a wonderful opportunity to explore new interests, read good books, and develop healthy habits. I particularly urge our students to participate actively in the Summer Camp activities, which are designed to nurture creativity, confidence, teamwork, and practical skills. Equally important is the gift of quality family time during these weeks. Parents can help children develop valuable life skills such as responsibility, communication, problem-solving, and self-discipline through everyday activities at home. Simple experiences like helping with household tasks, planning family activities, and caring for others can become powerful learning opportunities. Let us work together to ensure that this summer becomes a season of growth, discovery, and joyful memories for every child. I wish all our students and families a safe, productive, and enriching summer vacation.

Primary Colors Day <https://www.facebook.com/reel/1528217368878017>

The Play Group students of SAFT happily celebrated Primary Colour Day to learn about the three primary colours: Red, Yellow, and Blue. The children came dressed in colourful clothes, and the classrooms were decorated with bright charts and balloons.

Poster Competition www.facebook.com/postercompetition

This is more than just colours on paper. Our Anthonians are expressing emotions, empathy, and imagination in every poster. The elimination round is highly competitive – with a large turnout and only 80% moving forward. Yet every student is giving their best with remarkable focus and spirit. It's inspiring to see such talent and determination come alive through art.

One School, One Big Family

In recognition of International Family Day, Class 6C celebrated the occasion on May 20, 2026, at SAFT alongside their class teacher, Ms. Ambreen and Ms. Rhema, and their families. The event was a joyful opportunity for students and parents to connect and strengthen their bonds. Students enthusiastically took on the role of ushers, guiding parents throughout the program. The celebration was made even more special by incorporating Mother's Day and Father's Day activities, with fathers taking an active and enthusiastic part in the festivities — making it a truly heartwarming experience for the entire family. The memorable day concluded with delightful family photographs and a scrumptious potluck, allowing everyone to enjoy fellowship and shared meals in a warm and cheerful atmosphere.

Where Logic Met Passion on Stage

SAFT recently hosted an inter-class English Debate between class 9A and 9C on the topic: "AI is a Threat to Our Youth." Students took to the floor with confidence, passion, and well-researched arguments, showcasing their critical thinking and public speaking skills. The event was judged by Ms. Aqduus Aslam, a lecturer at FC University Lahore, and Ms. Sharill Hari, a proud alumna of St. Anthony's School, both of whom offered valuable feedback to every participant. It was a true celebration of intellect and healthy competition — proof that the thinkers of tomorrow are already thriving at St. Anthony's Faisal Town.

She Deserves the World

www.facebook.com/mothersdaycelebration

Mother's Day was celebrated with great love and enthusiasm as a whole-school activity at SAFT. During the assembly presentations, students from all classes paid heartfelt tributes to their mothers through speeches, poems, and performances, filling the atmosphere with warmth and emotions. It was a beautiful and moving occasion that reminded us all of the unconditional love and sacrifice of every mother — a truly special moment for the entire St. Anthony's community.

From Textbook to Time Travel: Our Heritage Trip

www.facebook.com/class6educationaltriptoharappa

As part of the Syllabus B topic on the "Indus Civilization", SAFT arranged an excursion. The students of Classes 6A, 6C and 6E (Evening shift) embarked on an educational excursion to Harappa on May 9, 2026, accompanied by their Social Studies teachers Ms. Sarah Waseem and Ms. Ambreen Imram. The trip brought classroom learning to life, giving students a firsthand opportunity to explore one of the world's oldest civilizations and appreciate its remarkable history and urban heritage. The day was both fun-filled and highly informative, keeping students engaged throughout. Upon returning, the experience was further enriched through Journal Writing and Report Writing activities, reinforcing their learning in a meaningful way. It was a trip that truly bridged the gap between books and reality.

Partners in Progress: Parent-Teacher Meeting for Grades 6-10

A Parent-Teacher Meeting (PTM) for Grades 6 to 10 was held at St. Anthony's High School, Faisal Town, Lahore. The purpose of the meeting was to strengthen communication between parents and teachers, discuss students' academic progress, address concerns, and promote a collaborative approach towards student development at St. Anthony's Faisal Town.

Badges of Honour: The Oath Ceremony of Prefects

The "Prefect Oath Ceremony" was a proud moment for St. Anthony's High School, Faisal Town. The school community congratulates **Chief Prefect Annaya Amir**, **Assistant Chief Prefect Minaa Usman**, and all newly appointed prefects. We hope that under their leadership, the school will continue to uphold its proud traditions of excellence, discipline, and service.

Excellence in Action: Meet Our Star Students

www.facebook.com/studentofthemothapril2026

SAFT is pleased to recognize this month's Students of the Month, who have distinguished themselves through academic commitment, exemplary behavior, and active participation in school life. Their consistent effort and conduct reflect the values and standards we hold dear as a community. Congratulations to all our deserving recipients.

SAFT adds colors to the Certificate Distribution Ceremony

www.facebook.com/ceremoney2026

A proud and memorable ceremony was held at St. Anthony's Main School, Lawrence Road, for the Certificate Distribution of Teacher Educators and Montessori Programs. The event was graced by the presence of **Archbishop Khalid Rehmat** as the Chief Guest, adding grace and blessings to the occasion. The ceremony became even more special when students from St. Anthony's Faisal Town performed the famous song "I Have a Dream." Their touching performance filled the hall with hope and inspiration. The day celebrated achievement, hard work, and the bright future of education in the St. Anthony's community.

Sweet Smiles on Ice Cream Day!

On May 21, the Playgroup students of St. Anthony's High School, Faisal Town, celebrated "Ice Cream Day" as part of their syllabus. The little learners enjoyed delicious ice cream while taking part in fun classroom activities. The event filled the day with excitement, laughter, and sweet memories, making learning a delightful experience for all.

Educational Visit to Punjab University Agricultural Department

www.facebook.com/educationalvisittopu

On May 13, students of Classes 8C and 9C visited the Agricultural Department of Punjab University, Lahore. They were welcomed by the Head of Department, Dr. Waheed Anwer, and other professors. The students toured laboratories and the research farm, where they observed experimental crops and learned about modern agricultural practices. The visit provided valuable educational exposure and practical knowledge. Refreshments were served at the end, making the trip both informative and enjoyable.

Little Swimmers, Big Fun

A fun-filled Pool Party for Nursery and Prep classes was held on the SAFT school grounds. The children enjoyed splashing in the water and participating in various exciting activities. The event provided a refreshing and joyful experience, creating happy memories for the young students. Safety measures were ensured throughout the activity, and the children had a wonderful time.

Sharing Smiles, Spreading Kindness

www.facebook.com/servicelearning

As part of the Service Learning Project, the students of St. Anthony's Faisal Town Class 7C visited an orphanage to promote compassion and community service. Students collected groceries and donated them to support the children. They also played indoor games such as Chess, Ludo, and UNO, spending quality time playing and interacting with the residents. The visit was a meaningful experience that taught students the values of empathy, kindness, and social responsibility.

Courage Triumphs: 10-A Sweeps the Debate

www.facebook.com/englishdebatecompetition

An English debate was held at SAFT on May 19, between classes 10C and 10A. The topic of the debate was "Courage is more important than intelligence."

The event was judged by Muhammad Wasif, Lecturer in English at Virtual University of Pakistan, and the other one was Mr. Ibrahim Waseem, an alumnus of St. Anthony's School.

Both teams presented their arguments confidently and impressively. However, Class 10A's performance captivated the audience and earned high praises from the judges.

Archbishop's Visit

Friendly Cricket Match

www.facebook.com/cricketmatch

Team spirit, fair play, and lots of excitement! Our students teamed up with staff members for a friendly cricket match on the school grounds. More than just a game, it was a wonderful opportunity to build teamwork, sportsmanship, and stronger bonds beyond the classroom. The match was filled with energy, enthusiasm, and memorable moments for everyone.

The event was graced by our worthy Principal, who encouraged both teams and presented the trophy to the winning team. His presence made the day even more special for everyone.

Well played to both teams! This is what St. Anthony's is all about.

Archbishop's Visit to St. Anthony's High School, Faisal Town

His Grace Archbishop Khalid Rehmat paid a brief visit to St. Anthony's High School, Faisal Town, to familiarize himself with the school infrastructure and review the proposed extension plans. During the visit, he toured the school premises and was briefed on the ongoing and future development projects aimed at enhancing educational facilities for students.

The Archbishop appreciated the efforts of the school administration and expressed his support for the planned expansion. His visit served as an encouragement to continue striving for excellence in providing quality education and a conducive learning environment.
