

## St. Anthony's High School Faisal Town Lahore.

Dear Parents,

To further improve our students' mathematical skills, we are introducing a new **Mental Maths** component in the Mathematics assessment.

In the **Midterm Examination**, Mental Maths will include **dodging tables** only. In the **Final Examination**, it will be expanded to include **dodging tables and the four basic operations: addition, subtraction, multiplication, and division**.

This component will carry **10 marks** in the Mathematics paper.

We appreciate your support in helping your child practise Mental Maths regularly at home.

Thank you.

### Mental Math Syllabus for Classes 1-5 for the Mid Term 2026.

| Classes | Syllabus   |
|---------|------------|
| 1       | 2-3tables  |
| 2       | 2-5tables  |
| 3       | 2-7tables  |
| 4       | 2-10tables |
| 5       | 2-12tables |
